Accessible performance for children

What is different about an accessible Sing and Play session?

- Enter the theatre early to get settled before the show and be welcomed by our staff.
- Enjoy a performance environment that is welcoming to children of all abilities and their families.
- Patrons are free to come and go from the theatre during the performance.
- Theatre lights remain on low levels and families receive pre-visit materials to help prepare for their visit.
- Enjoy our free 45-minute Sing and Play session directly after the performance with a range of mixed play activities facilitated by a music therapist and the Lifestart team, as well as a supported music program.
