Membership Benefits

Become a Lifestart Member

Lifestart was founded over 20 years ago by a small group of families who wanted choice and involvement in their child's support program. Over the past year, Lifestart supported over 10,000 children and young people, their families and carers across greater Sydney and surrounds.

Lifestart is a co-operative and people who use or support our activities can apply to become members. Lifestart has a volunteer Board of Directors that represents members and sets objectives and goals for Lifestart.

Lifestart Membership allows you to:

- be part of an organisation committed to building inclusive communities for all children and young people
- have voting rights at meetings of members
- be eligible to be elected as a parent or non-parent Board Director provided the appropriate criteria is met.
